BUILDING A LEGACY TOGETHER

We're excited to announce we are now officially the Carolinas Medical Group Management Association (Carolinas MGMA). In 2024, the North Carolina Medical Group Management Association (NCMGMA) and the South Carolina Medical Group Management Association (SCMGMA) agreed to merge organizations on January 1, 2025. Our association is an 800+ member organization with 10 local chapters across North and South Carolina, with a full slate of programs and events planned for the year.

Our theme for 2025 is "**Building a Legacy Together**," and we're looking forward to how our greater reach and connectivity can positively impact practice managers in the Carolinas, in 2025 and beyond! We encourage you to browse our site to learn more about all of our education, advocacy and networking initiatives, and make plans to join us at one of our 2025 events! We have an exciting year ahead and we hope you'll choose to help us build our legacy and get involved in the Carolinas MGMA!
